RE: Request for Access to Protected Health Information (PHI)

Dear Records Custodian,

I, RESTART_TEST_12345 RegTest1772975009, am writing to exercise my right to access my protected health information (PHI) as guaranteed under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), specifically 45 CFR § 164.524 — Access of Individuals to Protected Health Information.

Under this federal regulation, covered entities are required to provide individuals with access to their protected health information maintained in a designated record set. I hereby request a complete copy of all medical records, test results, treatment notes, imaging reports, and any other protected health information pertaining to my care at your facility.

Records Requested:

- Medical history and physical examination records
- Laboratory and diagnostic test results
- Imaging reports (X-ray, MRI, CT, ultrasound)
- Treatment plans and clinical notes
- Prescription and medication records
- Surgical and procedure reports
- Discharge summaries
- Billing and insurance records related to my care

Legal Obligations:

Under 45 CFR § 164.524(b), you are required to respond to this request within 30 days of receipt. You may charge a reasonable, cost-based fee for providing copies, but may not deny access based on payment. If you are unable to fulfill this request within 30 days, you may extend the deadline by an additional 30 days with written notice.

Please provide the records in electronic format if available. I authorize the transmission of these records through the LiveSafe.ai secure health identity platform.

Sincerely,

RESTART_TEST_12345 RegTest1772975009
